Complete the 2026 program application available at the following webpage:

[www.titan-intl.com/antique-tractor-restoration](http://www.titan-intl.com/antique-tractor-restoration)

You will need to print this signature page, have it completed and ready to attach to the online application.

Once we receive an application the student is verified as an FFA member, Titan International will review it. You will receive a confirmation once Titan has processed your application. Titan officials are often out visiting with customers and dealers and it may take several weeks to process your request. Please remember, this is a privilege; respect for the process is greatly appreciated.

Thank you for your interest in the Titan Antique Tractor Restoration Program.
